---

Industrialization

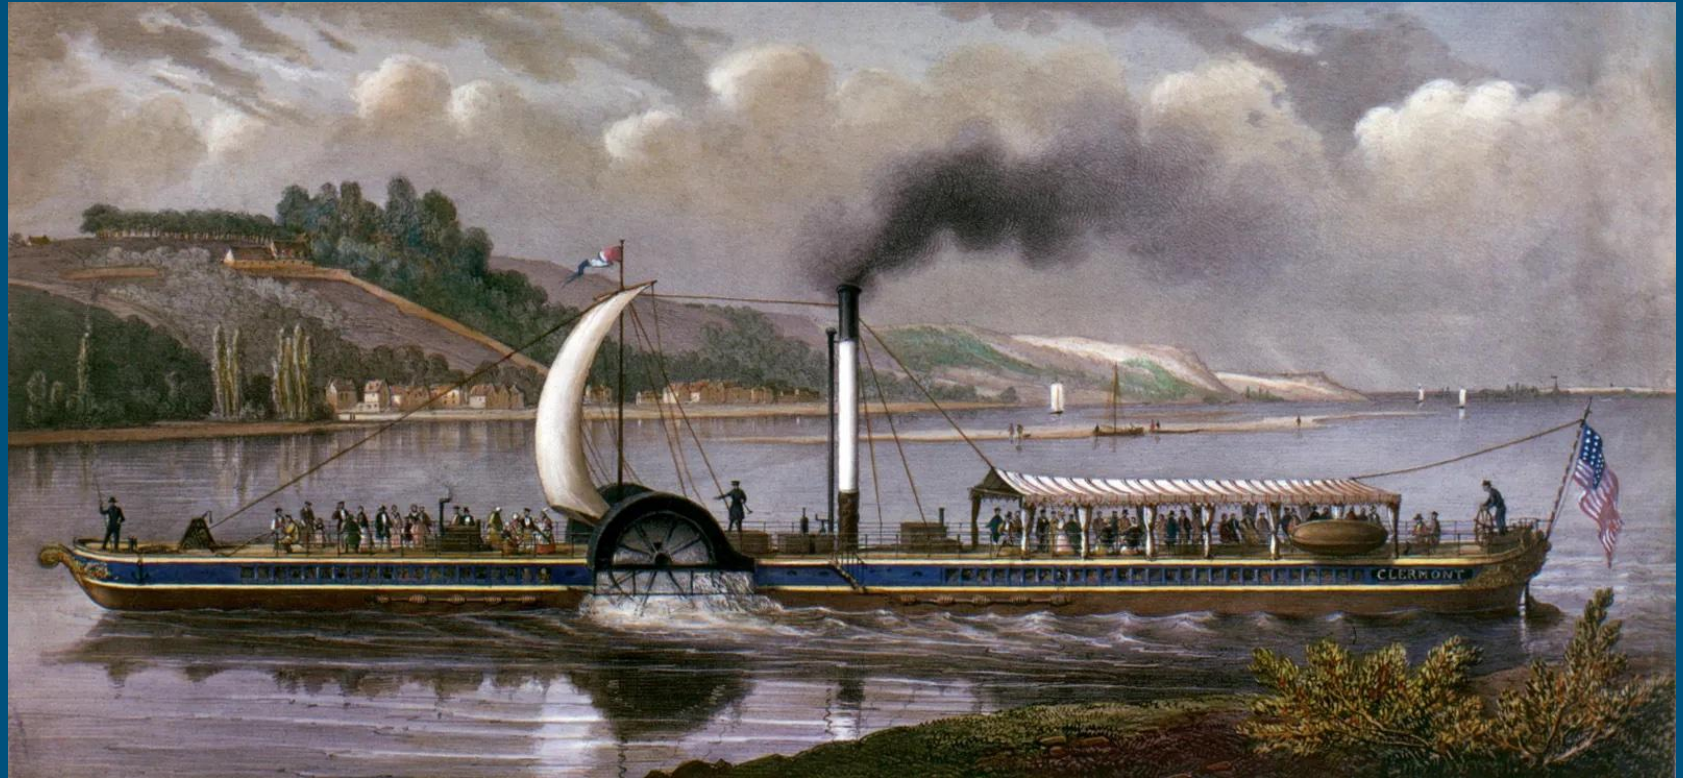

# Innovations

---

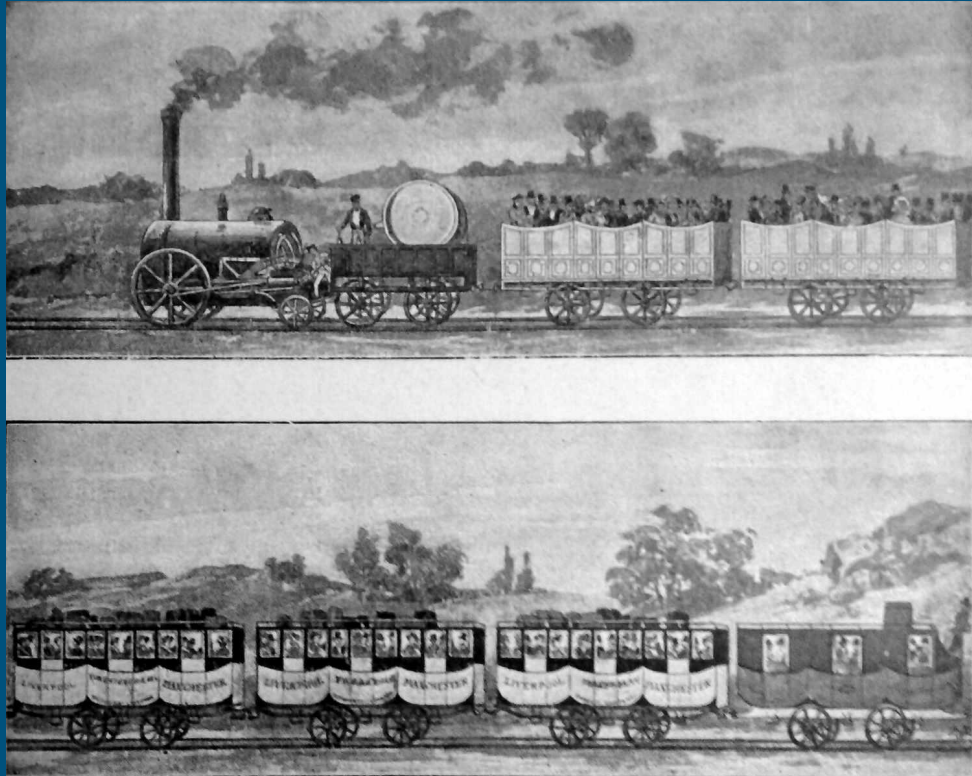

Examine the following images of innovations from this first period of early industrialization. After reviewing each image, you need to determine the following:

- a. What is the purpose of each innovation?
- b. How would each innovation transform American life?

# The Steamship

# The Steam Locomotive

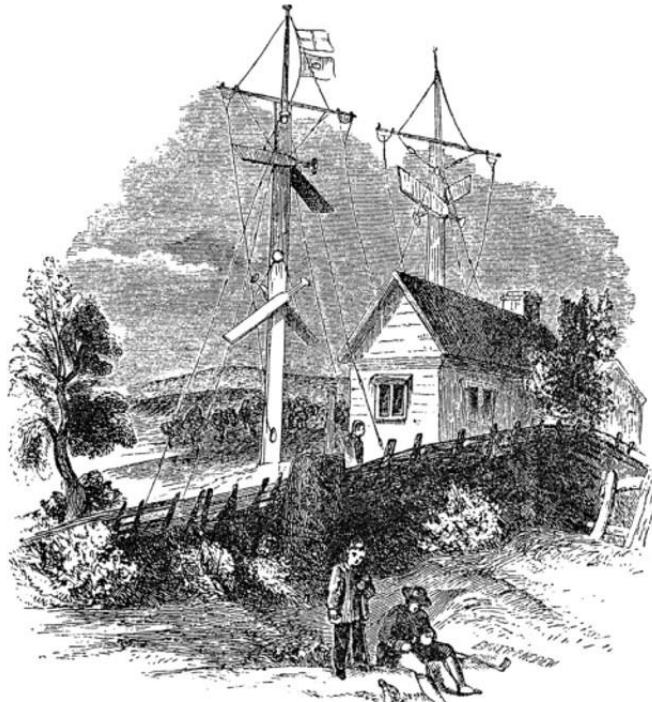

# The Steel Plow

# The Mechanical Reaper

# The Telegraph

THE SIGNAL TELEGRAPH.

ELECTRO-MAGNETIC TELEGRAPH

# The Factory
