

**AP United States History**  
**Unit Two: Colonization and Settlement**  
**Topic- Transatlantic Trade**

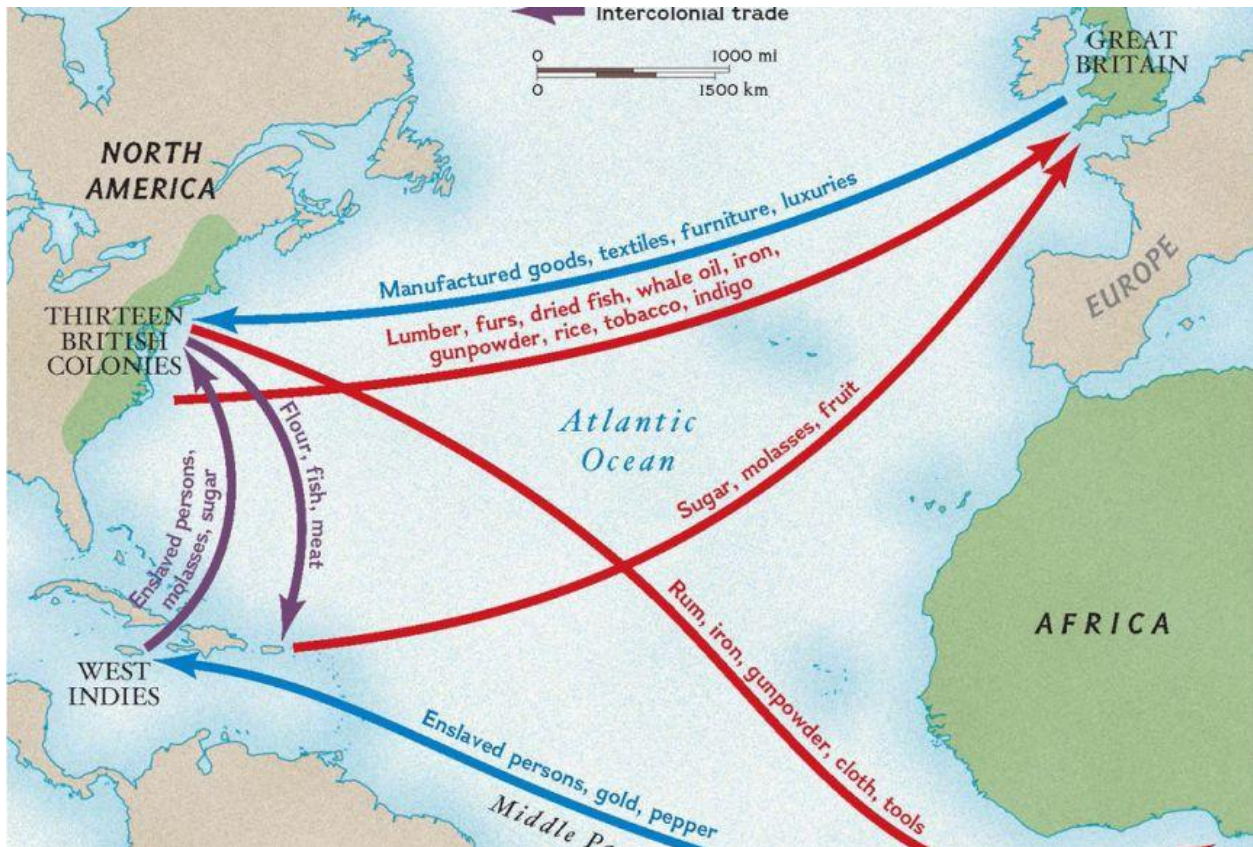

How did the system of mercantilism and Transatlantic Trade have an impact on the following places:

- \* The British Colonies in North America
- \* The British Isles
- \* The Kingdoms of West Africa
- \* Native American Lands in the West

In your discussions, also examine the following policies and their impact.

- \* The Navigation Acts (1660)
- \* The Molasses Act (1733)

**Document One: A Map of the System of Triangular Trade**

Document Two: A Map of Colonial Trade– Trade Items
